

Michael Krücker – Short Biography

The German pianist Michael Krücker studied at the Academies of Music in Rotterdam and Düsseldorf, graduating with distinction. He has won numerous international competitions in the United States, France and Italy as well as important scholarships, with whose support his concert activity has taken him over the years through almost the whole of Europe, to Asia, Australia, South America and the United States.

Besides radio and television performances, he has also recorded many CDs (Koch Schwann, BMG, Berlin Classics, NCA and NM Classics). Michael Krücker concentrates above all on bringing forgotten repertoires from the classical and romantic eras back to the attention of a wider public, and his particular interest is playing such pieces on period instruments.

A further field of activity is editing and he is currently editing a series of musical works for the publishers Friedrich Hofmeister Musikverlag, Leipzig.
